

PLEDGE SHEET

"GOALS for GOALS" Fundraiser

Help us reach our fundraising goals for 2018 and 2019.

How to make a pledge.

Please determine how much you'd like to pledge per ball made. Then, on the day of the event, your player will stand 10-12 yards away from a goal with a pile of lacrosse balls. Over a 45 second period, they will attempt to scoop, shoot and score as many balls as possible.

Example: Aunt Kathy pledges \$1 per made shot. Her player makes 32 shots in the 45 second period. Total pledge for Aunt Kathy is \$32.

GOALS for GOALS Challenge: Saturday, April 14, 3 pm at St Paul Catholic High School.
