Honoring Our Past, Shaping Our Future

St. Paul Catholic High School’s Honoring Our Past, Shaping Our Future 50th Anniversary Capital Campaign goal is to raise $2 million dollars to fund six major initiatives which are listed below.

These initiatives support our mission:

- Establish a Sustainable Endowment - $500,000
- Enhance Classroom Technology - $175,000
- Improve Building Security - $175,000
- Update Gymnasium Floor, Bleachers and Scoreboards - $475,000
- Install Metal Bleachers and Light Towers to Stadium Field - $425,000
- Renovate the Auditorium Performing Arts Facilities - $250,000

To date, we have raised in excess of $800,000 toward our capital campaign projects. We are grateful to each of our generous donors who have contributed through our initial phase.

The campaign goal is $2 million which will be used to:
The gymnasium is a center of student and visitor activity, but in recent years, the original gymnasium floor and bleachers have required substantial maintenance in order to keep them functional and safe. Renovation to the gymnasium will include installation of a new floating hardwood floor, bleachers, and scoreboards.

Installation of a high-density Wi-Fi network has created many new opportunities including implementation of a 1:1 iPad program, upgrading our computer labs, and installation of ceiling-mounted LED projectors will further integrate technology into everyday classroom instruction.

Permanent recognition is available for donors of the Honoring Our Past, Shaping Our Future 50th Anniversary Capital Campaign for St. Paul Catholic High School. Gifts of $5,000 or more will be commemorated on a special donor plaque in the main lobby unless anonymity is requested. You may elect to honor your family, loved ones or others by specifying your particular request.

This phase of the capital campaign is near completion. St. Paul received an in-kind donation of athletic field equipment from Fairfield University. Metal bleachers that seat 1,000+ spectators, a concession stand, and six light towers have been installed which allow for night games.

Our 700+ seat auditorium is a hub of student and visitor activity year round. In warmer months the physical comfort for large assemblies is compromised due to lack of air-conditioning. The capital campaign will enable the auditorium to be renovated with air-conditioning to control the temperature.

A well-funded endowment is one way to ensure ongoing financial support and ultimately the sustainability of an institution. St. Paul aims to provide access for every child desiring a high-quality Catholic education, regardless of economic status and will expand and maintain a viable financial aid and scholarship endowment.

When will construction begin?

Each project phase will be completed as sufficient funds are raised. To date, we have begun to address technology, security and athletic field needs.

I have supported St. Paul Catholic High School through its annual fund. Why should I donate to the capital campaign?

The Annual Fund primarily supports operational needs to sustain academic excellence as well as tuition assistance and scholarships for deserving students. The capital campaign is a one-time opportunity to provide greater institutional stability through a lasting endowment as well as further transform our campus by addressing major facility improvements.

Why is St. Paul Catholic embarking on a major capital campaign now?

We are embarking on this major capital campaign in celebration of our 50th Anniversary. It is our turn to step up to the challenge of breaking new ground for the future of St. Paul Catholic High School.

Our Students

There are 450 students from 35 communities in central Connecticut, China and South Korea who value our vision, to be a truly great Catholic high school, which is achieved by living our core values of Faith, Character, Community, Excellence, and Service.

Academics

- 100% graduation rate, 97% of our graduates go on to higher education.
- Four academic levels.
- Challenging curriculum integrated with state of the art technology including 1:1 iPad program.
- Expanded fine arts program which includes band, chorus, dance and drama.

Exemplifying Greatness

We continue to be inspired by our students’ many moments of greatness - from National Honor Society members, Superintendent Summa Scholars, AP Scholars, CIAC state championships, scholar athletes, all-league, and all-state recipients to hall-of-fame honorees, youth of-the-year selections, best musical theater award and scholastic art winners.
