The goal of the St. Paul Lacrosse Academy is to instill confidence, teamwork and leadership abilities in all of its athletes. St. Paul Boys Lacrosse Head Coach, Chris Kennedy offers fundamentals of lacrosse instruction in the areas of stick work, dodging, shooting, ground balls and goalie techniques. Our experienced staff will build on the age appropriate skills taught in our drills and incorporate those skills into fun and exciting competitions as well as scrimmage situations.

## Coming this Summer!

The renovated *Rev. Brian W. Monnerat Gymnasium* at St. Paul will be under construction beginning in June and completed by summers end.

In order to complete these renovations we had to cancel a few clinics this summer. STAY TUNED for the possibility of Shoot for Success weekend basketball clinics this Fall!

## Academic Programs

### WRITING THE COLLEGE ESSAY

SESSION #1 - JULY 16-20  
SESSION #2 - JULY 30-AUGUST 3  
MON. - FRI; 9:00 A.M. - NOON  
GRADE 12 (RISING SENIORS) • \$50

This workshop, instructed by English teacher Meghan Whitlock, is geared toward rising seniors who will begin writing their college admission essays. The course will teach students how to respond to common college essay questions and will focus on developing students' ideas into an effective piece of writing. Students will also read and analyze sample college essays to discuss the positive and negative aspects of the sample writings. In addition, students will receive one-on-one instructional time with the teacher in order to edit and revise their college essay.

CAPACITY: 25

### ALGEBRA BOOTCAMP

MON. - FRI; JULY 23-27  
9:00 A.M. - NOON  
ENTERING GRADES  
10, 11, OR 12 • \$75  
(ONLY APPLICABLE FOR STUDENTS  
ENROLLING IN ALGEBRA II NEXT YEAR)

This is a weeklong refresher for those students about to take Algebra II. The skills introduced in Algebra I often lay dormant during a year in Geometry. Topics range from a quick review of pre-algebra skills like operations with signed numbers and order of operations to equations of lines and factoring trinomial expressions. The skills will also serve as a preparation for those questions on the PSAT and SAT called "the Heart of Algebra." There is no textbook, but students will be expected to bring iPads and graphing calculators daily.

## Theater Programs

### ST. PAUL PERFORMING ARTS BROADWAY BOOTCAMP JR.

MON. - FRI; JULY 16-20  
9:00 A.M. - NOON

ENTERING GRADES 3-5 • \$135

### broadway BOOTCAMP

Theater games and improvisation exercises increase performance skills, awaken creativity, and encourage students to work with others to accomplish common goals. At Broadway Bootcamp we focus on one thing - providing your child a special and memorable summer theatre experience. It's all about providing kids a fun, confidence-building, educational experience.

Students explore how to interpret and connect to the lyrics to tell the story in the song. Selection of appropriate material for auditions and performance will be stressed, along with basic vocal technique and breath control. Staged choreographed musical numbers will also be introduced. The workshop camp concludes with students sharing their work onstage in a demonstration for invited family and friends.

### ST. PAUL PERFORMING ARTS BROADWAY BOOTCAMP

MON. - FRI; JULY 23-27  
9:00 A.M. - 12:00 P.M.

ENTERING GRADES 6-8 • \$135

Broadway Boot Camp provides opportunities for kids to be creative, gain confidence, and learn the value of teamwork. Our summer theater camps are a wonderful way to experience the thrill of the stage!

This highly successful summer program is celebrating it's 12th year under the direction of Mark Mazzarella. Working with a team of experienced teachers, students explore distinct challenges of the musical theater genre through survey work with songs, characterizations, vocal work and choreography.

With a specific focus on audition preparation students learn to develop characters through both singing and acting. Working on short scenes and monologues, students learn how to impress directors and audiences alike in this auditioned-themed workshop. All are welcome to join whether you have experience or are you first timer. The workshop camp concludes with students sharing their work onstage in a demonstration for invited family and friends.
