

The 2018-19 St. Paul Parent Athletic Department on-line program includes information about requirements specific to St. Paul (up to date physical information, a St. Paul athletic permission form, concussion & cardiac arrest forms, and academic and service hour requirements necessary to be eligible to participate), communication information so you are able to keep up to date with changing schedules, health and sports medical support provided to our student athletes, expectations of the athletic department, and concussion and cardiac arrest education information.

By signing this form I acknowledge that I have thoroughly reviewed the presentation and will abide by the expectations and rules and regulations established by the St. Paul Catholic H.S. Athletic Department.
